Thousands of educators today are taking action to end harassment and discrimination faced by lesbian, gay, bisexual, and transgender (LGBT) students in their schools. Educators are asking for high-quality materials to help them respond to and prevent such harassment, bullying and discrimination. The *GLSEN Lunchbox* is a response to those requests.

The *GLSEN Lunchbox* is a comprehensive, "do it yourself" program designed to provide educators and community members with the knowledge, skills, and tools necessary to make schools safer and more affirming places for LGBT students. Containing 50 lesson plans, companion videotape, worksheets, and training manual, the *GLSEN Lunchbox* offers educators a variety of training options for use with varied audiences and under different time constraints.
