

## NSC's SafeToBe School Vision Board

homosexism

There's no pressure to wear gender conforming clothes

people don't use "gay" as an insult

LGBTQ+ sex-ed in schools is normalized

lockdown drills are obsolete

tampons and condoms available in the school nurse's office

I don't have to hide my painted nails in my pockets when I'm walking past certain classrooms or going into the bathroom

no more abstinence only education

school lunches are free

I can wear a skirt if I want to, even if said skirt is ugly and khaki

No more pledge of allegiance in school

We learn about Queer + Indigenous history in history class

no sros in school anymore because they are safe without them

trans students being able to use the locker rooms and bathrooms consistent with their identity is standard

meal options for people with different dietary needs

no more SROs

school to prison pipeline is dismantled

gender neutral bathrooms/locker rooms

no more bigoted teachers

The denouncement of racism and actually work towards anti-racism

Being able to express my views freely at school without being harassed
