  - Title IV, Part A: Spending Snapshot
  - [21st Century Community Learning Centers Program](https://example.com)

Maryland

- State Accountability System does not include accountability for LGBTQ+ students’ educational outcomes.
  - Uses climate survey to measure SQSS indicator, “School Climate” (State Plan p. 27). Survey questions are not yet publically available; per email communication with the Maryland State Department of Education (MSDE), the survey includes a question about bullying based on sexual orientation; student responses to this question are not analyzed separately, but comprise one of several inputs into a composite “bullying” result. MSDE does not currently do or plan to do analysis at the item of question level.
- Communicates policy or commitments related to LGBTQ+ equity.
  - GEPA statement enumerates sexual orientation (State Plan p. 95); does not include nondiscrimination regulation that enumerates sexual orientation and gender identity.
  - Does not include anti-bullying statute that enumerates sexual orientation and gender identity.
- Does not describe actions it is or will take, or that LEAs can take to advance LGBTQ+ equity.
- Does not incorporate USED ESSA guidance detailing activities to promote LGBTQ+ equity.
- Reviewed Resources:

Oregon
• State Accountability System does not include accountability for LGBTQ+ students’ educational outcomes.
• Communicates policy or commitments related to LGBTQ+ equity.
  o GEPA statement enumerates sexual orientation (State Plan p. 146); does not include nondiscrimination statute that enumerates sexual orientation and gender identity.
  o Links but does not share content of anti-bullying statute that enumerates sexual orientation and gender identity (State Plan p. 107).
  o Other:
    - SEA voices commitment to advancing equity and enumerates sexual orientation (State Plan p. 11); this commitment is echoed in discussion of the SEAs plans for Title IV-A (State Plan p. 81)
    - SEA notes that Oregon’s Youth Development Council (YDC) focuses on equity for students who experience marginalization and enumerates sexual orientation (State Plan p. 23)
    - SEA indicates that the YDC has created policy brief with best practices and recommendations for improvement for specific populations, including “Lesbian, Gay, Bisexual, Transgender and Questioning Youth” (State Plan p. 93). Note that the referenced policy brief is not linked and we were unable to find this resource.
• Describes actions it is or will take, or LEAs can take to advance LGBTQ+ equity.
SEA requires LEA improvement plans to "[a]pply an equity lens and culturally responsive practices... to ensure that the needs of historically and traditionally marginalized students... are addressed," and defines "historically and traditionally marginalized students" to include "students who are LGBTQ" (State Plan pp. 22-23, 146)

- Incorporates USED ESSA guidance detailing activities to promote LGBTQ+ equity.
  - Guidance to LEAs includes USED guidance regarding professional development that supports educators and students “from... varying genders and sexual orientations” (Oregon Department of Education’s Federal Funds Guide, p. 71)
