

SAFE SCHOOLS FOR ALL.

GLSEN[®]

GSA MENTORS CALLING ALL VOLUNTEERS!

Local Gender and Sexuality Alliances (GSAs) need your help! In schools with active GSAs students are less likely to hear homophobic or transphobic remarks, less likely to feel unsafe at school, and more likely to feel connected to their school community than students with no active GSA. As mentors, we help ensure that every school in the Greater Cincinnati area has a GSA that is thriving by connecting them with essential resources, and encouraging youth leadership development. This volunteer position requires less than 5 hours per month.

GLSEN GREATER CINCINNATI

The local chapter of GLSEN works for safe, respectful k-12 schools for all, regardless of sexual orientation, gender identity, and gender expression.
